

SICK CHILD POLICY

If a child has any one of the following conditions, the parent will be notified of child's condition and asked to come and pick up child immediately. Staff will inform Coordinator and either will communicate to parent:

- 1 Communicable disease as per local Health Department Regulations
- 2 Fever over 100 degrees F
- 3 Vomiting or diarrhea 2 or more instances
- 4 Accident requiring medical attention
- 5 Head lice

If the child has one or more of the following conditions, the nearest emergency contact will be made with a call to 911. Parents will there after be immediately notified:

- 1 Severe problems breathing (with no marked improvement from prescribed inhalers)
- 2 Unconsciousness

In case of these conditions the program Coordinator or staff person may contact the parents with information from the emergency card located in the black box on the desk.

***Child can not return to extended day until 24 hours free from symptoms.**
